

K12 Schools Complaint procedure (2026-27)

Our Vision

To redefine the future of education by creating a dynamic, borderless learning environment where students from every corner of the world can thrive. We aim to harness the power of technology to build a global classroom that fosters innovation, creativity, and collaboration—equipping the next generation with the skills to lead in an ever-changing world.

Our Mission

Our mission is to revolutionize education through a cutting-edge online learning platform that integrates futuristic teaching methods. From AI-driven personalized learning paths to immersive virtual reality classrooms, we aim to provide students with engaging, interactive, and accessible education. By fostering global collaboration, we strive to break geographical barriers and create a diverse, inclusive global classroom, preparing students to lead and excel in the digital world of tomorrow.

Our Approach and Outlook

At K12 Schools, we believe all children deserve happiness, health, and confidence. We provide premium educational services that include high-quality care, a progressive early education program, and personalized extracurricular activities designed to develop the natural talents, skills, and passions of every child. Our philosophy is built on **respecting the opinions of children** and giving them the space to take ownership of their learning. As educators, we guide them with expertise, focusing on both academic rigor and the development of moral character. All decisions and policies align with our core values—**Academic excellence, Global Citizenship, Wellbeing and inclusion**—ensuring consistency in providing a quality learning environment.

Area of Concerns:

IT-Related Issues

We understand that technical issues can hinder the learning experience, and we have a dedicated technical team to support students and parents.

- **Technical Support Contact:**
Technical Team Phone: 8448664002 (available during school hours)
- **LMS Support:** We conduct LMS induction sessions for parents and provide instructional videos to assist with Learning Management System (LMS) use. In the event of technical issues with accessing learning materials, parents are encouraged to contact the Homeroom Teacher (HRT).
- **Security:** Our LMS ensures a safe digital environment by accepting only registered IDs for live sessions. Parents cannot access student live sessions, but notifications are available through parent accounts.

Digital Policy and Addressing Digital Concerns

We have developed a comprehensive **Digital Policy** to safeguard students' emotional and mental well-being in the online learning environment. The policy educates all stakeholders—parents, students, and teachers—on the responsible and ethical use of technology.

- **Cyber Bullying Prevention:** Teachers conduct regular sessions on cyberbullying and ethical digital consumption for parents and students, promoting a healthy and transparent digital environment both at home and at school.
- **Escalation of Digital Concerns:** Any issues involving inappropriate use of technology, such as cyberbullying, should be immediately escalated to the Homeroom Teacher or through the grievance process.

Addressing Academic Concerns

Academic Concerns: For any issues related to academic performance, curriculum, or classroom dynamics, parents should contact the Homeroom Teacher (HRT) for a direct conversation or email communication.

Book Dispatchment Concerns: If parents face delays or issues with receiving books and learning materials, they should notify the school administration through the School PRO.

Fee-Related Concerns: Any concerns about fee payments, discrepancies, or refund requests should be addressed directly to the Central Office Coordinator or the Finance Department.

Teacher Concerns: For issues related to teacher performance, teaching methods, or behaviour, parents are advised to communicate first with the Homeroom Teacher or escalate to the Central Office Coordinator if needed.

School Withdrawal Concerns: Parents wishing to withdraw their children from the school must follow the formal withdrawal process, including written notice to the school administration and completion of necessary documentation.

Student Progress Tracking Concerns: If parents have concerns about their child's academic progress, the Homeroom Teacher will provide updates and discuss interventions.

Time Table Concerns: For scheduling or timetable-related concerns, parents should communicate with the academic coordinators.

School Administrative Concerns: Issues related to general school administration, policies, or procedures should be raised with the Central Office Coordinator.

Exam Schedule Concerns: Parents can reach out to the Academic Coordinator for concerns related to the exam schedule or assessment-related issues.
